Notice of Rights and Grievance Procedure

Grievance Procedure for Members of the Public Alleging Discrimination Based on Disability

Any member of the public alleging discrimination on the basis of disability in the provision of services, activities, programs, or benefits by MBPO may file a grievance with MBPO which should contain:

- the name, address, telephone number and/or email of the grievant and
- information about the alleged discrimination, such as the location, date, and description of the incident or alleged violation of the ADA, Rehabilitation Act, NY State Human Rights Law, or NYC Human Rights Law.

“Grievance” is the term for the allegation filed with MBPO by a member of the public.

“Grievant” is the term for the person alleging discrimination in the grievance.

When and How to File a Grievance

The grievance should be submitted as soon as possible, but no later than sixty (60) calendar days after the date of the alleged violation to:

Kimberly James

Disability Service Facilitator

Email: info@manhattanbp.nyc.gov

(Please include “Grievance” in subject line.)

The grievance may be filed in one of two ways:

1. By submitting the grievance in writing by mail or email using the above address; or
2. Upon request, by an alternative means, such as an in-person interview or an audio recording, describing the incident or alleged violation of the ADA, Rehabilitation Act, NY State Human Rights Law, or NYC Human Rights Law. A request for an alternative means of filing may be granted as an accommodation for a grievant with a disability.

Timeline Following Filing of Grievance

Within fifteen (15) calendar days after receipt of the grievance, the Disability Service Facilitator or designee will contact the grievant to discuss the grievance and possible resolutions.

Within fifteen (15) calendar days of this contact with the grievant, the Disability Service Facilitator or designee will provide a response in writing. Grievants may request the response in an additional format accessible to them, such as large print, Braille, or audio recording.
