Hon. Zohran Mamdani
Mayor, New York City
City Hall
New York, NY, 10007

Dear Mayor Mamdani,

We are writing to express our support of Community Board District Managers and to call attention to the representation petition CWA filed with the New York City Office of Collective Bargaining on May 18, 2026.

Our offices work closely with Community Board District Managers. We see first-hand the incredible work they do everyday in our communities. District Managers strengthen our neighborhoods by fielding resident complaints, facilitating meetings and many more operational tasks. They are key city employees that ensure Community Boards are an empowering place for all New Yorkers.

We understand that a super majority of District Managers have signed a petition expressing their intention to join CWA. We urge you to give due consideration to their petition before the Office of Collective Bargaining for inclusion in the CWA Local 1180 bargaining unit.

Sincerely yours,

Brad Hoylman-Sigal
